MEMORANDUM FOR: Deputy Director for Support

ATTENTION : Mr.

SUBJECT : Temporary Fund Authorization, FY 1971

REFERENCE : Memo dtd 29 June 70 to DD/S fm D/L, same subject

1. This memorandum contains a request for an increase in the Temporary Fund Authorization for fiscal year (FY) 1971 for the Office of Logistics (OL). Such request is contained in paragraph 3.

2. The referent memorandum listed three unbudgeted requirements requiring an increase in the Temporary Fund Authorization for this Office. Since that request, this Office has received word from the General Services Administration (GSA) that the destruction and removal of classified waste materiel will no longer be done on a nonreimbursable basis. The McLean Field Office, Public Building Service, Region 3, GSA, has advised us that the Agency will be expected to reimburse GSA for this service in FY 1971, as well as in future years. The cost of this service is estimated at \$49,000 for FY 1971, consisting of \$24,000 for hauling and dumping the waste and \$25,000 25X1 to reimburse GSA for the cost of operating engineers engaged in maintaining equipment located in the extracting room.

3. It is recommended that an additional \$49,000 be made available in the FY 1971 Temporary Fund Authorization for OL to cover this unbudgeted item.

Signed: John F. Blake
